MARITIME TRANSPORT

We apply flexible solutions in the organisation of transport and sea forwarding with full, accompanying operational services: port, customs, warehousing, both for FCL and LCL freight.

We organise container shipments, handle exports and intercontinental imports to and from Europe's most dynamically developing port, Baltic Hub Gdansk.

MARITIME TRANSPORT – WHAT WE OFFER?

- Import and export handling
- Logistics operations and transport capabilities in major European ports: Gdansk, Rotterdam, Antwerp, Hamburg
- Organisation of transports from major ports in China
- Customs clearance
- Cooperation with major shipping companies
- Individualised offers for full container loads (FCL) and less than container loads (LCL), regardless of volume
- Organisation of the entire supply chain, door-to-door

CUSTOMS SERVICE

We offer a comprehensive service for cargo crossing EU borders, applying all simplifications prescribed by customs law throughout the country.

We provide dedicated solutions, including on-site customs handling and management of temporary storage and bonded warehouses.

WE PREPARE ALL THE NECESSARY CUSTOMS CLEARANCE FORMALITIES.

- customs clearance under all procedures: import, export, economic and suspensive procedures
- simplified and standard customs procedures
- declarations of goods for customs clearance
- customs security for import and transit duties
- professional customs and logistics consultancy
- assistance with the completion of necessary documentation
- advice on all aspects of customs clearance
- accompaniment of the client during customs controls aimed at checking the goods and securing the trade turnover abroad properly so that it complies with the national law and international agreements

BONDED WAREHOUSE

We have a storage facility for goods imported **from outside the EU**, which is under customs supervision.

The warehouse gives the customer the opportunity to store the goods without time limitation and without paying customs and tax obligations such as **VAT and customs duties**.

CUSTOMS WAREHOUSE

We also offer our customers a Customs Warehouse - a special warehouse where goods under so-called customs supervision are stored.

It makes it possible to postpone the deadline for customs clearance and completion of the required documents.
