2024 Maritime Silk Road Port International  
Cooperation Forum

PRE-INVITATION  
Ningbo · China

Dear Sir / Madam,

Under the joint guidance of the Ministry of Foreign Affairs and the Ministry of Transport, Maritime Silk Road Port International Cooperation Forum (MPF) has been successfully held for seven editions, attracting more than 4000 delegates from more than 1000 companies in over 90 countries since its first founding in 2015. As a key platform for port and shipping cooperation and exchange, MPF is dedicated to galvanizing the building of a global community of a shared future in port and shipping.

2024 Maritime Silk Road Port International Cooperation Forum (MPF 2024), organized by Zhejiang Seaport Group viz. Ningbo Zhoushan Port Group, is going to be held on **June 26th-28th, 2024 in Ningbo, China**, theming upon "Enhancing Port and Shipping Service - Joining Hands for More Open and Integrated Key Port and Shipping Hubs", focusing on the philosophy of enhancing port and shipping connectivity, building consensus for development, and embracing a future of win-win cooperation.

We sincerely invite you and your colleagues to attend MPF 2024.

Thank you for your continuous support. We look forward to seeing you at MPF 2024.

Best regards,  
Organizing Committee of MPF 2024

## FORUM AGENDA

- **Day 1:**

Registration; High-Level Roundtable

- **Day 2 AM:**

Opening Ceremony and Main Forum

- **Day 2 PM & Day 3:**

Thematic Forums including Global Supply Chain and Trade Cooperation, Financial Empowerment for Ports and Shipping Ecosystem, Sustainable and Green Ports and Shipping Development, Shipping Services Development

### JOINT EVENTS

A number of joint events will be organized during the Forum, such as:

- Smart Green Ports and Shipping Exhibition and Display
- Relevant Meetings and Consultation Events
- Ports & Cultural Tour

## FORUM OVERVIEW

- **Opening Ceremony and Main Forum**

Spotlighting the theme of "Enhancing Port and Shipping Service" and comprehensive topics such as economic & trade policies, macro strategies, and industry trends, we will invite relevant leaders, experts, and scholars to deliver keynote speeches, and organize major projects signing ceremony and major achievement announcement ceremonies.

## ● High-Level Roundtable

Centering around "Enhancing Port and Shipping Service - Joining Hands for More Open and Integrated Key Port and Shipping Hubs", it is committed to building consensus and promoting cooperation in the field of ports and shipping. Participants include high-level representatives from domestic and international government administrations of ports and shipping, port and terminal operating and management institutions, shipping companies, shipping logistics and ports and shipping service enterprises, industry organizations and research and consulting institutions in the maritime and port industries.

## ● Thematic Forums

### Global Supply Chain and Trade Cooperation

Centering around the topics such as supply chain reliability, trade cooperation, cross-border e-commerce (over-sea warehouse), multi-modal transport, and international logistics collaboration. We will mainly invite entities include top international freight forwarders, key merchants, and international logistics enterprises.

### Financial Empowerment for Ports and Shipping Ecosystem

Centering around the integrated development strategy, carry out in-depth discussions themed on high-quality financial development, financial supply-side structural reform, and risk isolation between industry and finance, etc. We will mainly invite relevant representatives from financial regulatory authorities, financial institutions, ports and shipping entity enterprises and so on.

### Sustainable and Green Ports and Shipping Development

Centering around best practices of the port and shipping industry in addressing climate change and environmental protection. We mainly invite relevant organizations from various fields such as energy, maritime regulation, shipping, and ports.

### Shipping Services Development

Centering around the developmental needs and trends in fields such as shipbuilding, transactions, supply, agency, and inspection. We mainly invite maritime service institutions, industry associations, and relevant government administration authorities, etc.
