Warsaw, Poland

Dear Mr. Piechocinski,

**Tourism Investment Opportunities in Sri Lanka**

I am pleased to bring to your kind attention of new investment opportunities in the tourism sector in Sri Lanka. The Sri Lanka Tourism Development Authority (SLTDA), in collaboration with the Sri Lanka Tourism Promotion Bureau (SLTPB), has identified a number of land properties across the country that are now available for long-term lease for the purpose of tourism-related development projects.

These opportunities are part of Sri Lanka's broader strategy to attract foreign investment and revitalize its tourism industry, which remains one of the country's most promising sectors for sustainable economic growth.

Potential investors are invited to submit conceptual proposals in accordance with the provided guidelines by 26 August 2025. Full details of the properties and the application process are available in the attached documentation.

Ms. Bhagya Mahavithanage, Deputy Director of the Investor Relations Unit at SLTPB, the SLTPB can be directly contacted via email at [bhagyam@srilanka.travel](mailto:bhagyam@srilanka.travel) or by phone at +94 11 242 6800, if any interested Polish investors require further information in this respect,

I would be grateful if you could circulate this opportunity among relevant stakeholders in Poland's tourism and investment sectors and encourage their consideration of Sri Lanka as a valuable destination for investment.

Thank you and best regards,

Priyangika Dharmasena  
Ambassador
